

TUN: FOR
"HAPPY
BIRTHDAY!"

See ya! Take care on the way back.

See you tomorrow.

Thank you for having us over!

Everyone's admitted to feelings. The business between the Demonic King and Kendou is found her inside after meeting her...

EVERY-ONE'S CHANGED SO MUCH...

IN THE END I HAD TO BE SAVED BY RIKO-SENPAI AT THE EXCHANGE MEETING..

ME, ON THE OTHER HAND..

REALLY, THOUGH AFTER KEEPING THAT THING?

TOO CARE-LESS!

SMIRK ♡

SHE HAD IT HIDDEN AT THE BACK OF THE SHELF..

TOOK HER LONG ENOUGH TO ADMIT HER FEELINGS?

AFTER-WORD

The long summer vacation is finally over! Thank you for reading Volume 7. We saw Eno surge to draw even with Riko. Please stand by as she makes progress in her relationship... if any.

13-January!

Learn from them.

Also, Love Lab is getting an anime adaptation! I'm blown away. It's all thanks to you readers following this silly story for so long. Let us enjoy animated Riko and Co. together in 2013.
